Average Months to EP Certificate	16.06	16.88	15.70	
Average Months to IP Certificate	162	NA	NA	
Average Months to SE Certificate pursuant to 35 USC 257	7.00	18.67	7.75	

Notes:

- 1 Source: Filings from ex parte, inter partes and supplemental historical statistics.
- 2 Supplemental filings include only the SE request which received a filing date. SE NIRC only occur where SNQ-Yes was found.
- 3 Pendency, First Action, NIRC ("Notice of Intent to Issue a Reexamination Certificate") and Certificate date from PALM.
- 4 Inter Partes reexaminations were no longer available after Sept. 16, 2012
- 5 This data is recorded by reexamination control number. Where proceedings are merged, the merged proceeding will appear as multiple instances. For this reason the certificate count will not match the number of individual reexamination certificates published in the Office Gazette.
- 6 NIRCs mailed at the end of one month will necessarily publish with a certificate the next month (or later), the average time to RX certificate may be more or less than the time to RX NIRC for any particular time period measured
- 7 Numbers may not match PAR report because this report shows actions mailed in time period and PAR shows filed requests and actions on those.
- 8 a typographical error has been corrected in the reference the statute 35 USC 257.
- 9 The last section has been updated to clarify that these numbers reference Reexamination Certificates

Notes:

- 1 Source: Filings from ex parte, inter partes and supplemental historical statistics.
- 2 Supplemental filings include only the SE request which received a filing date. SE NIRC only occur where SNQ-Yes was found.
- 3 Pendency, First Action, NIRC ("Notice of Intent to Issue a Reexamination Certificate") and Certificate date from PALM.
- 4 Inter Partes reexaminations were no longer available after Sept. 16, 2012
- 5 This data is recorded by reexamination control number. Where proceedings are merged, the merged proceeding will appear as multiple instances. For this reason the certificate count will not match the number of individual reexamination certificates published in the Office Gazette.
- 6 NIRCs mailed at the end of one month will necessarily publish with a certificate the next month (or later), the average time to RX certificate may be more or less than the time to RX NIRC for any particular time period measured
- 7 Numbers may not match PAR report because this report shows actions mailed in time period and PAR shows filed requests and actions on those.
- 8 a typographical error has been corrected in the reference the statute 35 USC 257.
- 9 The last section has been updated to clarify that these numbers reference Reexamination Certificates
